

Region 25 Family Chorus News

NEW DEADLINE DATE SET—MARCH 6, 2010:

We have extended the deadline date for the Family Chorus to accommodate all Region 25 members who would like to participate in this fun chorus. So, for those of you who missed the original deadline, you have a bit more time to register. You can **download the registration form at <http://sairegion25.org/10regional/OtherForms.pdf> and mail it and your \$5 per household to: Gwen Frazier, 7620 Preston Road, Denison, TX 75020.** Gwen can be reached via email at gwennjerry@graysoncable.com or by phone at **469-734-6335** for further information.

THE BIG SHOW:

The Show of Champions will be held in the Eisemann Performing Arts Building at 7:45 pm. The Family Chorus will be performing **FIRST. WOW!!** What a great show opener for all the wonderful quartets and choruses to follow!

TICKET INFO:

Each participating NON-AET Family Chorus singer will be given a special pass which will allow entrance into the Eisemann. To accommodate chaperones and family members who just want to see their family sing, we will also provide two additional passes to each FAMILY (not each singer). If more than two family members will be attending, tickets may be purchased for \$22 each at the Eisemann Ticket Office.

REHEARSAL:

One rehearsal is being scheduled for all participants immediately following the end of the Chorus Competition on Saturday afternoon. Because timing is not exact with our competition, PLEASE have all family gathered by 4:45 pm at the Renaissance Hotel in the foyer outside Symphony 4 & 5. Please let Gwen Frazier know if there are any special needs (wheelchairs, walkers, etc.) that must be accommodated for the event. It is at the rehearsal that we will be distributing the SPECIAL PASSES to each guest and the two extra passes, as well.

COSTUME:

To go with the theme of the Regional Competition, we are asking that all Family Chorus members dress in any **ANIMAL PRINT** outfit in any color. Children can even wear Halloween costumes with this same animal theme (lion, zebras, bears, etc.).

Can't wait to see you all at Regional!

Mary Rhea & Annette Gary, Family Chorus Directors
