

Have a W I L D time at RAMM !

This is YOUR time to get excited about YOUR region and be recognized for YOUR accomplishments! We want to give you a prize! Come to RAMM and get yours! Awards/prizes will be given to:

1. the chorus with the highest percentage of members attending the RAMM
2. the choruses that have earned international membership awards
3. 25-year and 50-year members
4. “Wild Thing” winner
5. First timer winner
6. *Barrel of Monkeys* winners (aka door prizes)

Region 25 is “where the wild things are,” so we are going to celebrate your creativity and wild spirit by creating a wild animal costume on site! Each chorus will have a design team of not more than four persons, including one model. The design team will create a wild animal costume with materials* provided by the region. Everyone will have the same materials and work on the costume while the RAMM is progressing. At the end of RAMM each model will take the catwalk and one will be designated the winner! Talk about *Project Runway*!!

Don’t Forget Your FLAG!

Flag Ceremony: Each year at our opening ceremony we have a flag procession. We ask that each team leader select their chorus’ membership chair and their newest member to carry the flag. **If you haven’t already done so, please send their names to Sharon Hightower, slhightower@yahoo.com, ASAP!**

RAMM begins at 1:00 sharp!

Flag bearers and design teams need to be there no later than 12:45PM. COME early! This is going to be a lot of fun! We will be sitting in the round and will have lighted pom-poms and other wild things placed in strategic areas for the early comers.
